### Student Behavior & Expectations

To be reviewed, understood, and signed by all participants

What you should NOT "bring", "use" or "sell" at any Alaska EXCEL program:

- Alcohol, Controlled Substances or Drug Paraphernalia.
- Weapons. firearms, knives, or any object that poses danger to self and others.
- Tobacco Products. The Alaska EXCEL program does not allow the use of any type of tobacco product by students and staff. Our position on tobacco use is three-fold:
  - Use of tobacco is in direct opposition to Alaska EXCEL's philosophy of promoting personal wellness and healthy lifestyles.
  - Alaska State Statutes states it is "illegal to sell, give, trade, or exchange any products (including vending machines) containing tobacco to any person under 19 years of age". If students do currently use tobacco products, we strongly encourage them to discontinue their use immediately.
  - o We understand many students have and/or currently use tobacco products and are aware of the side effects associated withdrawal. Hard candy and gum will be provided to help curb any cravings. Consequences for use or possession or sale of alcohol, controlled substances, paraphernalia, weapons or tobacco products: A student found using or selling or in the possession of alcohol, controlled substances, tobacco products or weapons of any type, while attending Alaska EXCEL activities, will face immediate disciplinary actions, which may include immediate expulsion from the program, as well as possible legal action taken.
